Dear Ms. Huntley,

On behalf of working families across the state of Wisconsin, I write to express support for the union organizing efforts currently being undertaken by Wisconsin Voices' workers. I urge you to respect the voices and the freedom of Wisconsin Voices' workers to come together in union with the Office and Professional Employees International Union (OPEIU) Local 9.

Every worker has the right to stand together with co-workers to form a union free of intimidation and retaliation.

It is imperative that you respect both the legal and ethical rights of the workers of Wisconsin Voices and let the organizing and union election process proceed in a free and fair way without obstruction or interference. Strong unions and good collective bargaining agreements lift up all workers in the community and help to create a more stable and fair economy for us all.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stephanie Bloomingdale', enclosed in a thin black rectangular border.
