Join us for a special Labor 2020 phone bank with Wisconsin AFL-CIO President **Stephanie Bloomingdale**, Congressman **Mark Pocan** and Attorney General **Josh Kaul** to kick off our 2020 Get out the Vote mobilization efforts.

Learn to make calls with seasoned experts who will share tips and pointers as we encourage union members to vote early and safely in this 2020 election!

In 2020, we have a chance to make a shift towards a government that works for union members and all working people. Joe Biden has plans and policies that will put workers first.

By working collectively with our sisters and brothers to turn out our union vote, we can help elect leaders who will fight for an economy that works for us all, not just the well connected.

Training and support will be available throughout the phone bank.
